DIVINE GUIDANCE: ALLOWING GOD BE OUR GUIDE

Isaiah 58:11, Isa 48:17

When we need directions, we look at a map or signs. Google map is used on our mobile devices to move from place to place, making our journey through unknown locations easy and sometimes seamless.

God wants to guide us in the way we should go, but our experience of His guidance is determined by our response to His guidance.

"I will instruct you and teach you in the way which you should go; I will counsel you with My eye upon you" (Psalm 32:8 NASB).

We can experience God's guidance joyfully and as an expression of His lovingkindness when we submit to Him and trust in Him. "Trust in the LORD with all your heart; do not depend on your own understanding." (Pro. 3:5 NLT).

We need God to lead and guide us as we journey. Let's allow God be our guide.

WORD FOR THE WEEK

"And God is able to make all grace [every favor and earthly blessing] come in abundance to you, so that you may always [under all circumstances, regardless of the need] have complete sufficiency in everything [being completely self-sufficient in Him], and have an abundance for every good work and act of charity." (2Cor. 9:8 AMP)
