**WORTHY VESSEL**

When I think of what it means to be a vessel, I think of someone completely open to God's will no matter the cost. I think of someone with a peaceful spirit, a life dedicated to prayer and someone whose life reflects the fruit of the Spirit (Galatians 5:22-23). A human vessel is someone who is willing to be used by God for whatever purpose He has in mind.

Mary was open to God's will even though it would put her in sticky circumstances. I admire her willingness to serve God despite the circumstances. That is an attitude I strive to have in my own walk with God. I want to be a vessel, used by God for His glory, but I have to be willing to go wherever He calls me and do whatever He asks.

Who in the Bible stands out to you as a vessel, prepared and ready to be used by God? What characteristics do you notice in their lives that you can incorporate into your own?

**WORD FOR THE WEEK**

Therefore understand today that the LORD your God is He who goes over before you as a consuming fire. He will destroy them and bring them down before you; so you shall drive them out and destroy them quickly, as the LORD has said to you.

- Deuteronomy 9:3 NKJV
